Burn ! Burn yourself so that the path of others is lighted. Such is the quality of the teacher who is one pole of the bipolar process. Like a magnet, education must have two poles. We stress upon one pole (teacher) to attract the second (Student) towards finer qualities of life.

The most valuable asset of RDBC is group of competent and dedicated staff, who enable the student to take on challenges of the future. We welcome you to be part of the wonderful academic milieu of RDBC campus and experience the real excitement of student life.
